Maurizio Rossi
Vice-President AIC-International Colour Association
Lab. Luce - Design Dept - Politecnico di Milano
Via Candiani, 72 20158 Milano

Dear Professor Maurizio Rossi,

I am willing, ready, and able to accept the duties and responsibilities of the office for which the AIC EC has nominated me. I thank AIC EC for trusting and believing in me. Accepting to serve in Secretary/Treasurer position is to support the AIC in serving global members who are country representatives. These members have the same passion for colour in multi-dimension, and AIC is the organisation that brings them together to share and disseminate the knowledge gained from the research. It is an honour to serve in this role. This position is challenging and full of work. I will dedicate my energy and effort until the end of the position term.

Yours sincerely,

Pichayada Katemake
